Dear Parents,

Welcome back after half term and welcome to Ark White City's updated weekly newsletter. This aims to give you key updates about the academy, celebrate the work of the fantastic children and provide dates for upcoming events.

Firstly, a huge thank you to the warm welcome I have been given in my first week as Principal at the academy. It has been fantastic to talk to so many of you on the gates, and I look forward to continuing to meet the community over the coming weeks and months. I am excited to continue to work with all of you to continue to grow our school and ensure true excellence for all the pupils we are lucky enough to educate.

There are two areas we are working on this half term which I wanted to share with you.

Uniform:

Our fantastic White City uniform allows our pupils to show a real sense of belonging, setting a positive tone for the learning we are completing in the academy. We are focusing on ensuring all children look smart moving forward. A reminder that this is a white shirt (and tie) on non-PE days. The full uniform policy can be found [here](#). Please speak to the school office if you wish support or more information with this – we are keen to work with parents to ensure our school uniform is consistent and worn with pride moving forward.

Attendance:

We know how important attendance is for our children. Children that are in school every day on time maximise their access to the great lessons the White City staff prepare for them. You can see the weekly attendance information on the second page of the newsletter. We are working to ensure you get regular updates about your child's attendance, which was a clear message you shared with us in the recent parent survey.

Best wishes,

David Williams

Ark White City Principal
